

## SKF PHE FRC70NR

FRC coupling, natural rubber

With a higher load capacity than jaw couplings and virtually maintenance-free operation, FRC couplings are designed as a general-purpose coupling. The NR type is made of natural rubber. FRC couplings are able to cushion moderate shock loads, dampen low levels of vibration and accommodate incidental misalignment.

### Technical specifications

Properties	
Category	FRC couplings
Material	NBR
Size	70

  

Logistics	
Product net weight	0.0209 kg
eClass code	23-03-10-90
UNSPSC code	31171537
